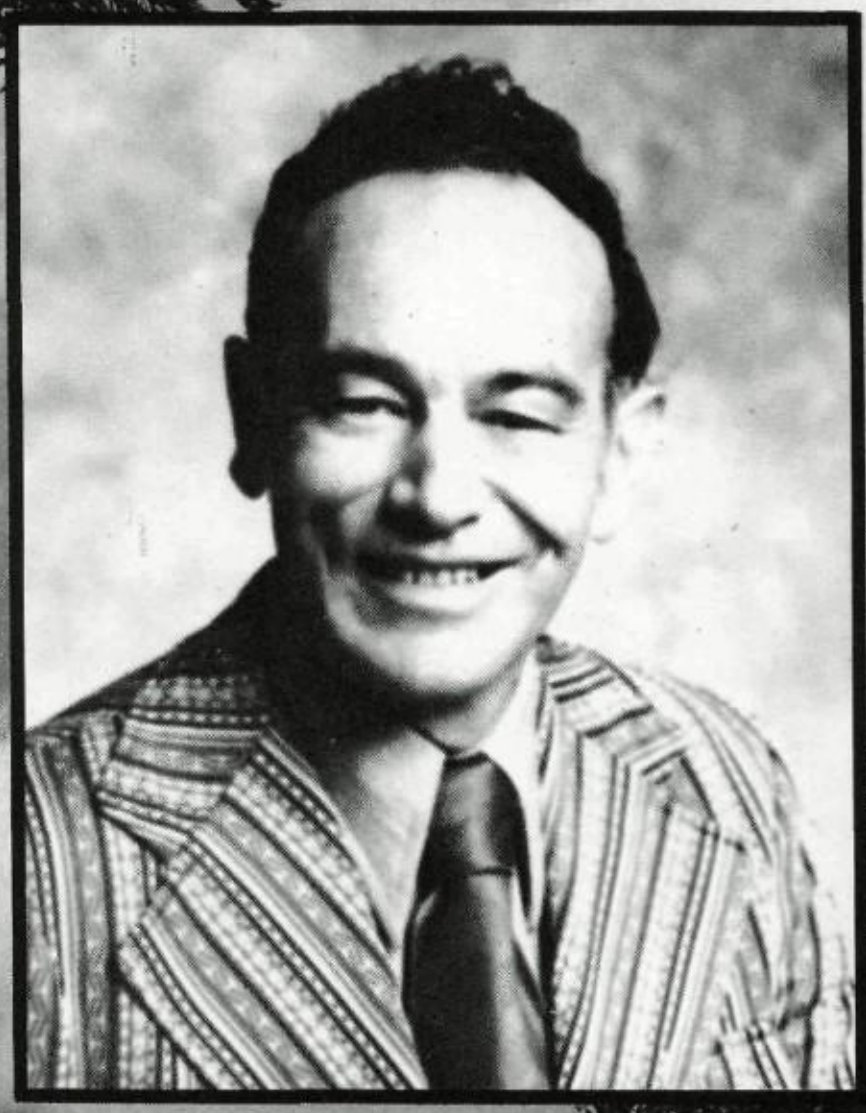
# IN MEMORIAM



A tall and majestic tree is a living inspiration to all who view it; and, like a towering tree, Mr. Sylvester I. Nomer stood straight and tall in his profession—as an educator. Mr. Nomer, whose teaching career spanned over 25 years, died on the 25th of June, 1974. During his seven years at Sierra, he taught U.S. History, Sociology, Government, and Current Affairs, served as the Social Studies Department Chairman for grades eleven and twelve, and was the adviser for the California Scholarship Federation.

Mr. Nomer spent endless hours after school working with his students on make-up quizzes and homework; to him, nothing was more important than his students. To his fellow teachers, he was among the best. He was chosen Teacher of The Month in 1971-'72, and was given a District Award for excellence in 1970. Mr. Nomer taught for many years and touched many lives. It is through his students that he will live forever. He will be greatly missed on the Sierra campus.

SIERRA HIGH SCHOOL, WHITTIER, CALIFORNIA March 7, 1975 No. 12

## Now at Sierra

Yes, once again Sierra High has not one, but two foreign exchange students. They are Seniors and they are both boys.

One of our foreign exchange student's is Cesar Silva, he is from Rio De Janero, Brazil. The other is Bobby Grizze and he is from Recife, Brazil. Both Bobby and Cesar will be attending Sierra for six months.

These students are staying with an American family during their stay in the U.S. Bobby speaks Portuguese and Cesar speaks Portuguese and English. This is the first trip to the U.S. for both Bobby and Cesar, and when asked if he liked the U.S., Cesar replied, "Yes, it's different." Cesar is already getting to like our American dishes. He likes hamburgers, hot dogs and beer. As for sports he likes basketball, volleyball and especially soccer.

# Graffiti Phantoms Invade Sierra

The Sierra Spartan campus reportedly has been struck by two mysterious characters who have been seen sneaking around in unusual costumes, such as capes and high-top tennies, and writing on walls throughout the school. Witnesses describe them as small, dwarflike people dressed in peculiar attire.

These characters allegedly have disturbed a few classrooms with their pranks and they have been seen changing signs in the girls' locker room. Even the student body president, Mike Dauber, has been caught by surprise by these **Phantom Graffitists.** They have also interferred with some activities such as Pep Week and the Senior Pancake Breakfast. "It is getting to the point where something should be done immediately!", says outraged administrators.

The administration is seeking information leading to the apprehension of the quick-get-away artists and says that it can use all the help it can get. "This is a crisis," says Mr. Roger Weeks, principal .

The A.S.B. Cabinet has also asked the student body for suggestions on how to catch the Phantom Graffitists, and the students responded helpfully. One of the suggestions was to "keep an eye out for any suspicious looking characters who are writing on walls who fit the description."

Another person suggested that a trap be set for them by having a blank wall available and just so happen to leave paint and paint brushes lying around. As soon as the phantoms touch the brushes, they would trigger an alarm that would make the wall fall on them and they would get covered with paint. The only drawback is that this might not catch the original Phantom Graffitists, because this arrangement is so inviting, anyone would be tempted by it. "People will be people," says an anonymous Cabinet member.

The A.S.B. Cabinet and the Administration have declared that the only thing anyone can do is to be on the lookout for these little menaces and no one ever knows where they will strike next. Remember, if you happen to see them, contact the Guidance Office at once!

**Bea, Frank, Richie and Joan** will compete in the Cerritos Drama Festival later this spring and will be shown to Sierra students on April 18 at 8:00 p.m. when the Thespian and Drama Club sponsors an evening of one-act plays to be shown in the cafeteria.

[illegible] directors are now preparing a selection of humorous and dramatic scenes from **Spoon River Anthology** to be presented in competition at drama festivals to be held at L.A. Valley College and Cal State Long Beach.

This year's musical **Sugar** has to disguise themselves as females and join an all-girl band which travels to Florida. The results are wildly comic as one falls for sugar, the singer in the band and both go to wild extremes to keep their identities a secret.

Tryouts for the production will be as soon as the scripts and music arrive, according to the director, Mrs. Bonnie Lowenstam. The cast can be as large as 40. There are parts for girls in the band (actresses do not need to know how to play a musical instrument) and parts for boys as gangsters and Florida millionaires. Students will be first asked to sing (privately) for auditions. Reading and dancing auditions will also be held. All Sierra students are invited to tryouts previous acting or singing and dance experience is not required. Students should read the daily bulletin for announcements of tryout dates. ## Winter Formal A Smash Success

Saturday, January 18, 1975 was the Girls League Formal. The theme "Out of a Misty Dream" seemed to match the night, because of the misty dark fog. It all started at 9:00 and ended at 12:00.

Before entering the room your bid was to be shown to a chaperone

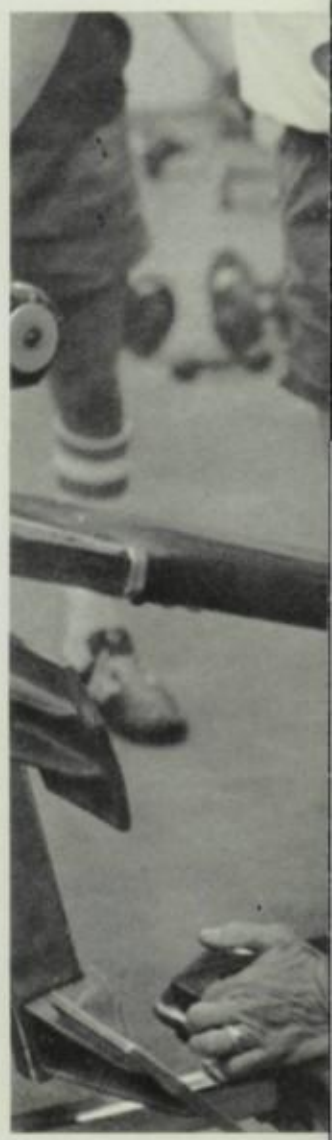
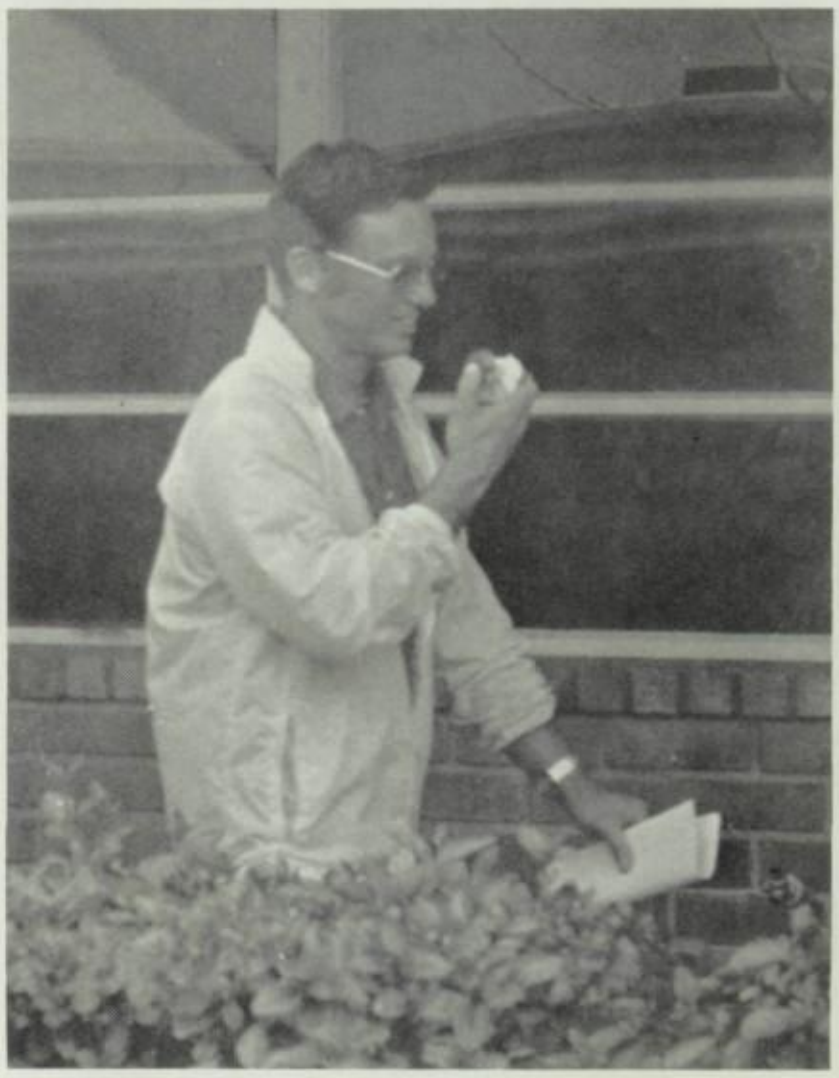
## Activities Night Hosted by Sierra

This year our P.T.A. is going to sponsor "Activities Night" here at Sierra. It has to do with our incoming freshmen and their parents. The P.T.A. hopes to show our new freshmen and their parents, some of the activities we offer on campus.

The P.T.A. hopes to have most of our clubs to participate so they could get the freshmen interested before they get here. Their idea is to have advisers and students in the rooms explaining and demonstrating their groups activities. It will start at 7:30 in the cafetorium and at about 7:50 they will start a tour around Sierra.



# IN THANKS . . .
# AND
# IN PRAISE . . .

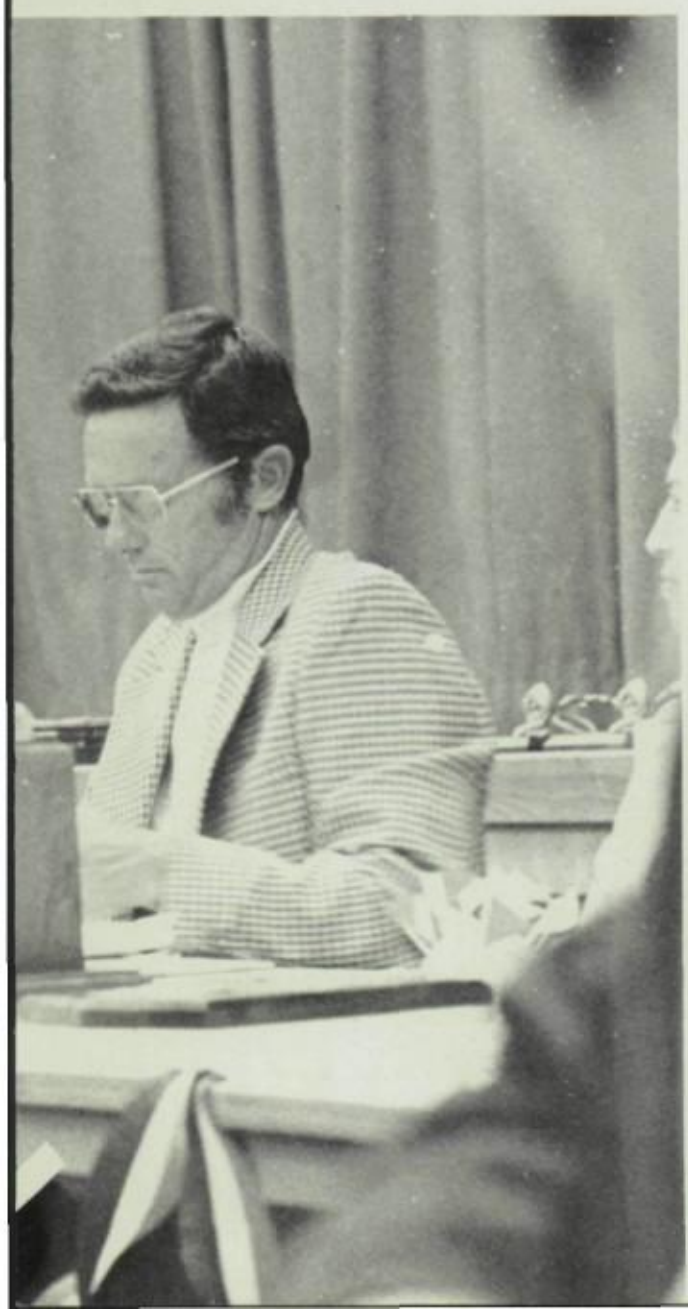


# MR. ROBERT DUGARD

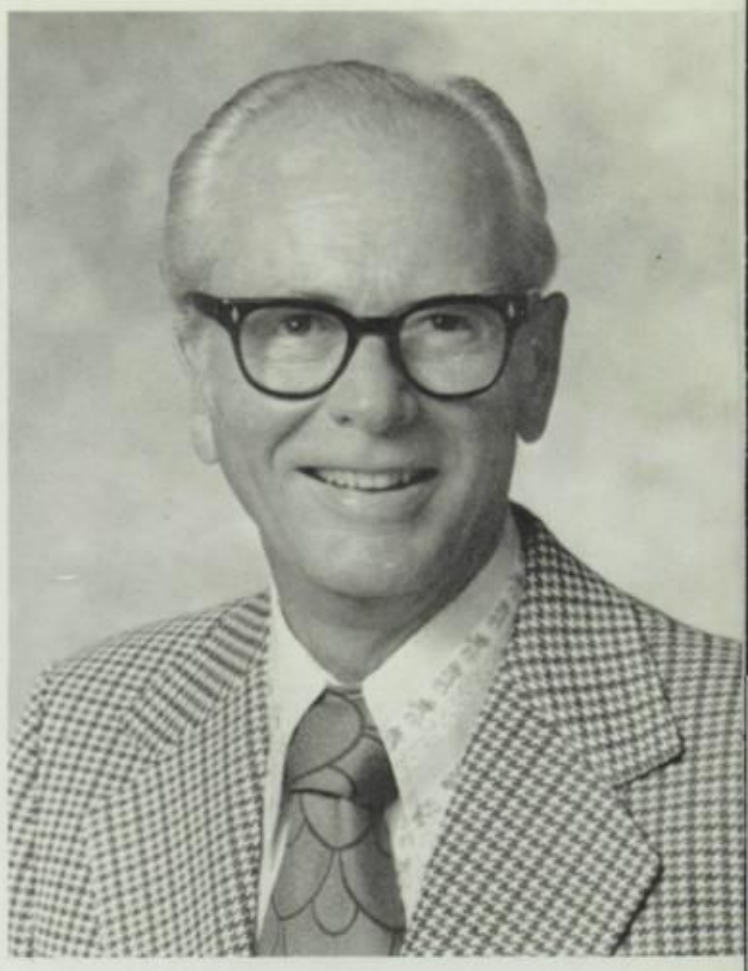
The 1975 edition of the Oracle is dedicated to a long standing member of Sierra's faculty. This outstanding person has served in many areas of education while at Sierra. His many students past and present feel he has been an inspiration. Besides motivating students to put out their best, he has helped them to overcome many social and emotional problems that had arisen during their stay at Sierra.

Having served as a counselor, health education teacher, and varsity coach, he has also served the past five years as Secretary to the Whitmont League. Sierra's Principal, Mr. Roger Weeks, stated, "During the past ten years he has been an asset to the Athletic Department. It has been my pleasure to observe him in action with not only athletes, but with other students as well. I think the outstanding quality he exhibits in his dealings with students is his overriding concern for the individual welfare of each and every one. Without question, his dedication to excellance has contributed to a well organized and effective sports program." Mr. Orval McLellan, Assistant Principal for Activities, says that "He has done an amazing job with the sports program here at Sierra".

In gratitude for his many services to the students of Sierra, the 1975 Oracle is proudly dedicated to the Director of Athletics, **Mr. Robert Dugard.**



# MR. ROGER C. WEEKS



After twelve years of dedicated service as principal of Sierra High School, **Mr. Roger C. Weeks** is retiring.

There has been a lot accomplished since Mr. Weeks has been at Sierra. The curriculum has been changed in many ways. For example, more semester classes have been added such as Student and The Law and Self-Improvement. Another terrific addition since Mr. Weeks has been here is the air conditioning in the classrooms.

To get this far in life, a person has to have had a good education. Mr. Weeks got his Bachelors Degree in Economics and Sociology at the University of Redlands in 1938. He earned his Masters Degree in Educational Administration at Claremont Graduate School in 1958.

Mr. Weeks started his teaching career in 1939 at Bacone Junior College in Oklahoma. After four years of teaching his career was interrupted by World War II, when Mr. Weeks served as a Lieutenant in the U.S. Navy. After the war, he joined the U.S. Naval Reserve, from which he eventually retired as a full commander.

He resumed his teaching career at Whittier High School in 1946. His first principal's job was El Rancho High School in 1952. In 1963 he came to Sierra as principal.

Mr. Weeks is very active socially in his community. He served as a leader of many organizations, such as president of the California Country Club, and as president of the Whitmont League.

Mr. Weeks has always had a "Students first" policy. He is never too busy to counsel young people or listen to suggestions or grievances from students. His influence and hard work are evident everywhere on the Spartan campus. He will be remembered by Sierra students and alumni for many years to come!

# SPECIAL TRIBUTE

In a few days, a significant era in the history of Sierra High School will come to a close with the retirement of two outstanding educators who have dedicated their lives to helping the youth of this area. One, the Assistant Principal for Business and Activities, has been at Sierra since it opened eighteen years ago. The other, Sierra's third principal, has served the Spartans for the last eleven years. Sierra bears the indelible stamp of their genius in hundreds of unique ways. Thousands of alumni are better adults because these gentlemen really cared about people. Sierra is a better place because they were here and will be somewhat less when they depart.

Words are truly inadequate at a time like this. How does a school say good-bye to people who molded and inspired it through its early years? How can we say *thank you* on behalf of the thousands of people they have served?

Obviously, we can't! All we can do is say farewell to Mr. Orval McLellan and Mr. Roger C. Weeks and wish them the very best in the years to come. They will be greatly missed on the Spartan campus!

# MR. ORVAL MC LELLAN

A pioneer of Sierra High School, **Mr. Orval D. McLellan**, will be leaving the campus in June. Mr. McLellan came to Sierra when it first opened in 1957 as Dean of Boys. In 1960 he was appointed to his present position as Assistant Principal for Business and Activities.

In 1947 Mr. McLellan received his Bachelor of Arts degree from Redlands University where he majored in physical education and minored in science. In 1959 he earned his Masters Degree in Secondary School Curriculum and Supervision.

Before coming to Sierra, Mr. McLellan taught P. E. and woodshop at Puente High School. His last teaching assignment was at Santa Fe High where he taught P. E. and was athletic director.

Mr. McLellan has had a great influence on Sierra High. Due to his efforts many things most Spartans take for granted, such as the planters in the quad and the marquee in front of the school, would not currently exist.

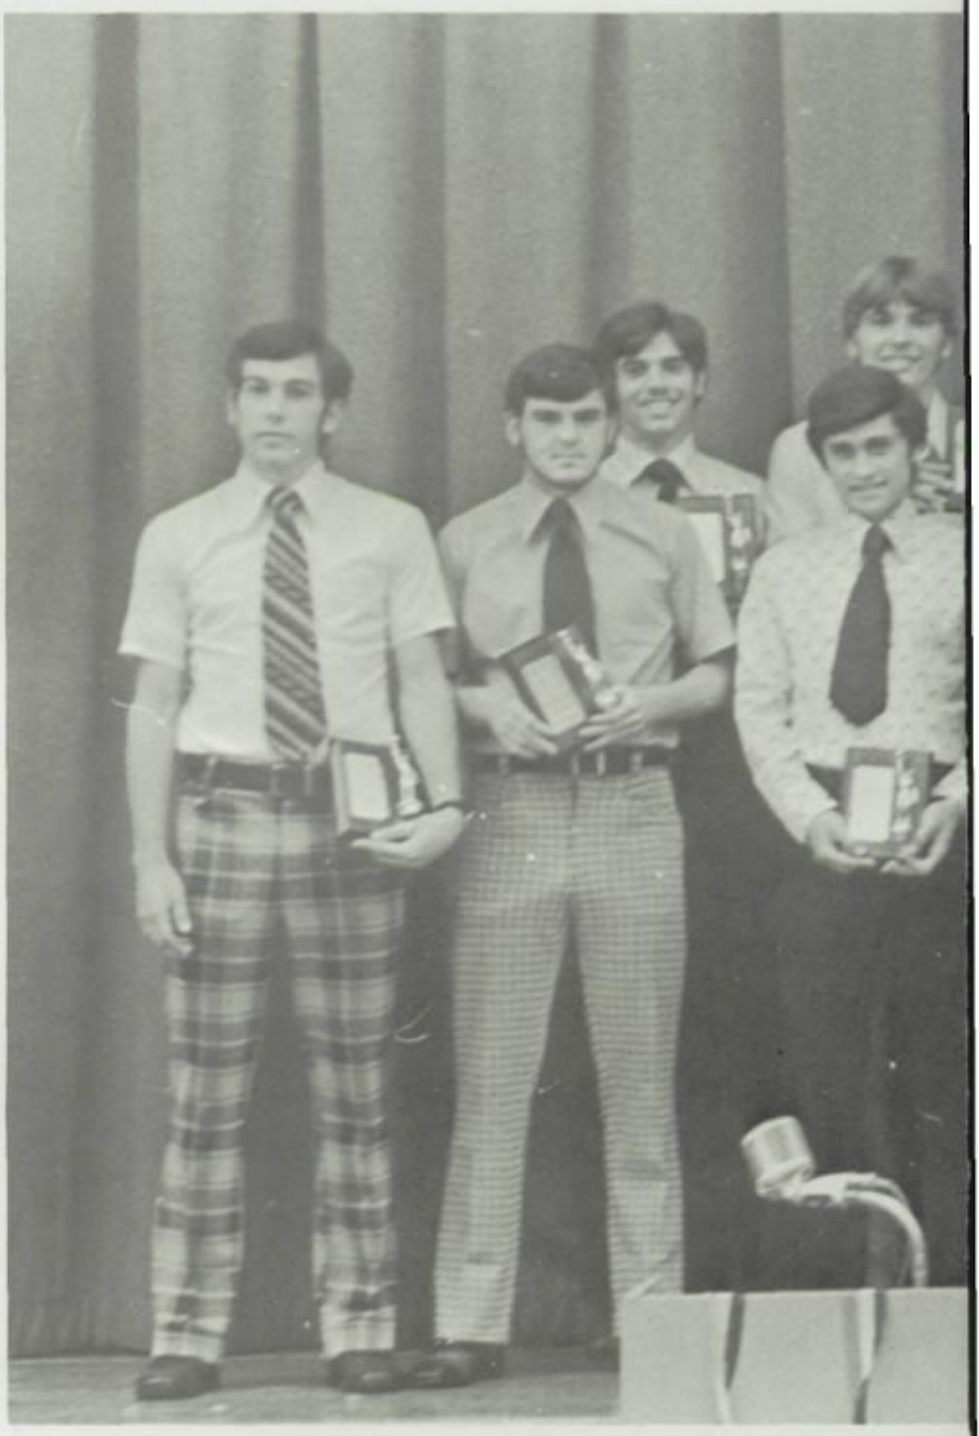
The 1975 **Varsity team** had the necessary ingredients that produced a league championship, two tournament championships, and one consolation championship.

Steve McGuire was outstanding on both ends of the court with his shot blocking, rebounding, intimidating, and scoring. Jeff Schnetzler could always be counted on for a big game when it was needed, by rebounding and scoring. David Lentine was at his best this season, scoring consistently from the outside. Dave Koza was electrifying with quick hands stealing the ball and threading the needle with fantastic passes. Mike Dauber was a delight to watch, providing the team with ball handling, and leading fast breaks with beautiful assists at the end of the break. Each starter had his specialty, but they all hustled well on defense and worked as a team, doing the little things that make the difference between winning and losing. They were winners. When injuries posed a threat to success, it was often the unsung heroes on the bench who made the difference when they took the floor. The substitutes never get enough credit because people in the stands don't get a chance to see them at their best. The subs worked hard in practice and were a constant challenge to the starters. Their attitudes were positive. *Without this, a team doesn't win!*



1975 WHITMONT LEAGUE CHAMPIONS—**Bottom Row**: Ken Adams, Dave Morton, Mark Gonzales, Mr. Virgil Robertson, Mike Dauber, and Dave Koza. **Top Row**: Dave Lentine, Steve McGuire, Jeff Schnetzler, Tom Drozdowski, Grant Fortt, and Scott Aldridge.

# JUNIOR CLASS OFFICERS

Looking back at this past year, I closed my eyes. I'm only kidding, we had a great success in the prom, and I would like to thank my officers and the council for helping me and doing such a great job. I would also like to give a special thanks to our adviser Mrs. Kay Woudenberg, who gave her best to help us in every possible way. I hope this year's enthusiasm will carry on and make our senior year a great one.

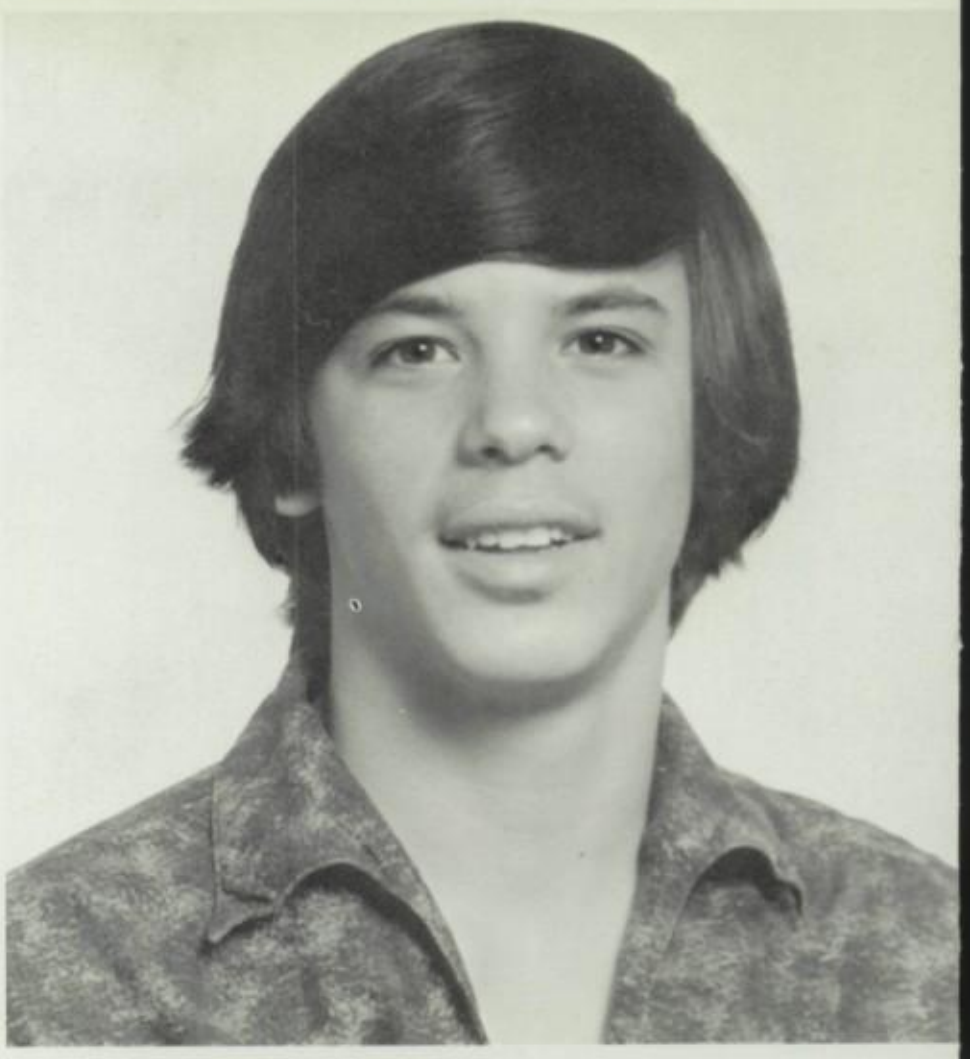
# SOPHOMORE CLASS OFFICERS



It's really been an experience and a lot of fun to represent the best class of students this school has ever had. I thought we could really have gotten a lot more done if I had known what to do and how to get the cooperation of the council.

This was one of the best years I ever dreamed of having at Sierra and I thank all of the sophomores, the great council and also the people who worked with me — the class officers, Tom, Terri, and Lynda; they're the greatest!

Thanks for everything.

# FRESHMAN CLASS OFFICERS

Dear Class of '78,

As I look back into the 1974-75 year, I noticed that this year's Freshmen have had lots of spirit. We had some very successful events. I would like to take time and thank the Freshmen Council and our Advisors, especially Mrs. Figueroa, who helped a great deal. And I would like to thank those who were not on Council but still participated in all the activities, thus making this a good year. Serving as Freshman Class President is an honor that I will never forget.

I was pleased with cabinet this year. They were a real fine group of individuals who allowed us to accomplish a great deal of things. This cabinet explored curriculum and bridge the so called "communication gap" between student government and the students. As for myself, I am pleased with the help and cooperation that this student body gave me, which gave us the strength to move in. I was not caught between anything or anyone. I made the decisions I had to, and spoke up when I wanted to voice my opinion, not like some presidents in the past who were afraid of this.

Our high school days are over here at Sierra and it is now time to close school books and take a long last look. Some of our friends we will never see again. It is now time to mature and meet the tremendous challenge and competition of life. In the future some will be successful and some will not. Our high school years were great. All the friends, pep week, elections, football and basketball games, finals, Girls' League and the Prom, make four years here at Sierra, but it is also the little things that happened every day of the year, that will live on and on in our minds. But do not make that dreadful mistake of living in the past, go on to even greater accomplishments.

I loved Sierra High School, and all my friends and teachers who helped me a great deal. I want to thank you for giving me the great honor of being your student body president, something I will always remember and cherish all my life.

Life is yours, people go out and live it to the fullest, and may your life be blessed with small miracles. Good luck whatever your endeavors may be. Margaret and Tony, thanks for having patience with me.

Sincerely,

Mike Dauber

# GIRLS' LEAGUE CABINET

Even though I'm sad to have this period of my life end, I think of it not as an ending, but as a new beginning to seek new goals in life. As Girls' League President, with the help of my cabinet and Girls' League Adviser, I have learned to use my own judgement on many important issues.

Let me share a quote with you that I have tried to live: "It's been said that you can take a man's money, but when it's all said and done, you've just taken his money. But when you take a man's time, that's when you've taken part of his life."

Thank you for giving me part of your life!

Sincerely,

Yvonne E Havens

*Belle of the Month* is an honorary title bestowed upon a girl each month by the Themesians. The qualifications are as follows: The girl should be friendly, outgoing, show school spirit and be a good citizen as well as a good representative of Sierra at all times, on campus as well as off.

The *Belle of the Year* for 1974-'75 is **Cathy Newlin**. Cathy has been an active student in her four years at Sierra. Her many activities include: ASB Finance Chairman, life member of CSF, President of Themisians, and a member of French and Pep Clubs.

Cathy was able to take first place in the District Math Contest. She is an active member in Beta Sigma Beta, which is sponsored by the Whittier Women's Club. Beta Sigma Beta deals with community service such as Immunization Clinics, Salvation Army, and helping needy families. Everything is voluntary work and service.

Cathy's hobbies include: Collecting bells, shells, and dolls. She enjoys playing her clarinet, embroidering, macrame, and sewing. She is interested in becoming a teacher for special education.

# SIERRA ADMINISTRATION

Dear Spartans:
"Thanks for the memories" is not only Bob Hope's theme song - it is also mine. After 36 years of school work, I look backwards with tremendous satisfaction for the many successes of students and staff - only to be reminded that success in this field is never the result of one individual. Dedicated teachers, willing students, and supportive parents combine to make things happen.

I shall always be grateful to have had the opportunity to be a part of the life of three wonderful high schools: Whittier, El Rancho, and Sierra.

My collection of annuals will continue to be a part of my family treasury.

Sincerely,

Roger C. Weeks

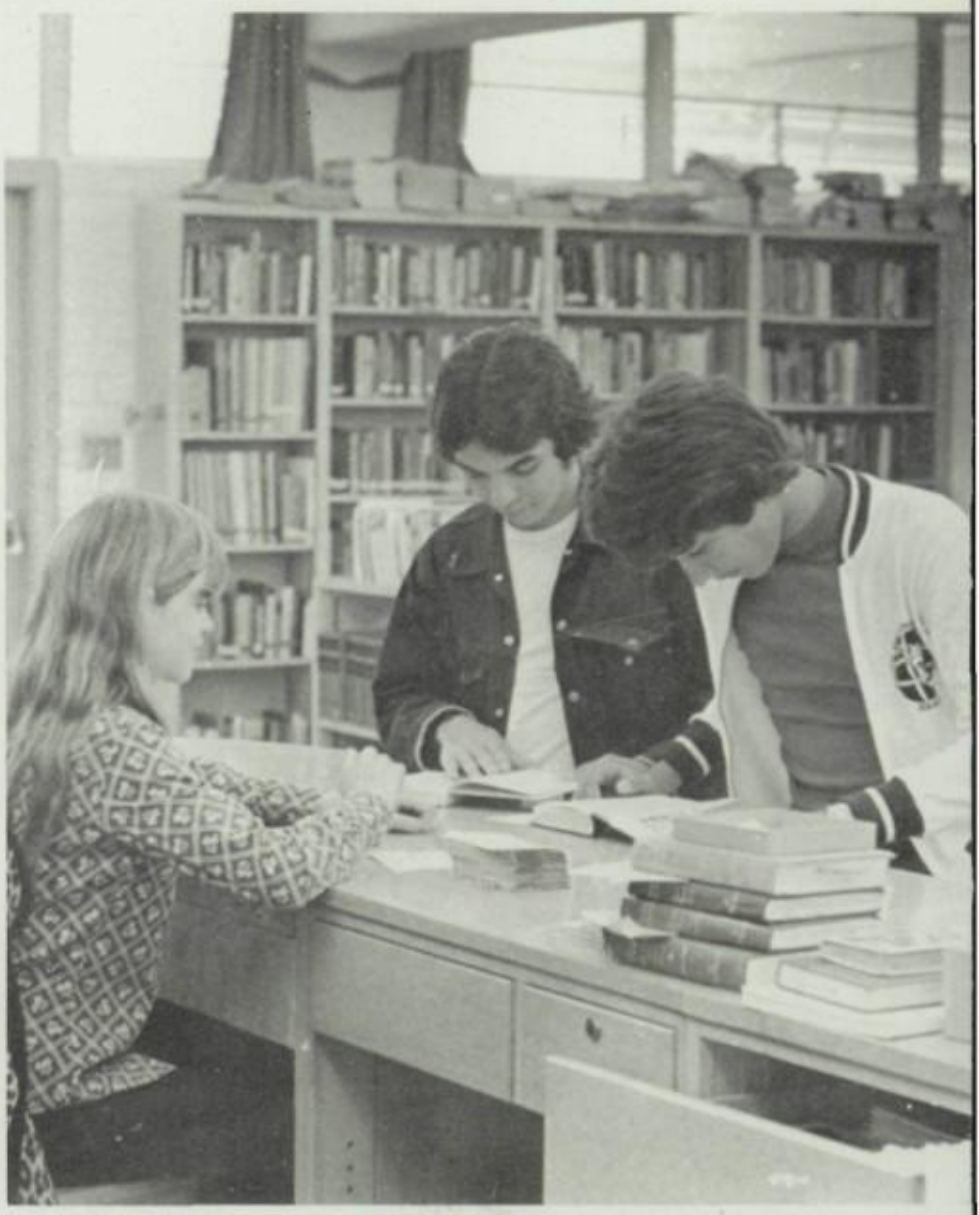
# YOUTH FOR UNDERSTANDING



*Youth for Understanding* is an agency that cooperates with the U. S. State Department in arranging an exchange program between foreign and U. S. students. By allowing U. S. students to go abroad to live for several months and by bringing foreign students to the United States, the program strives to help young people learn about community and family life in other countries through first-hand experience.

This second semester, Sierra was host school to two young men from the South American nation of Brazil— **Cesar Silva,** whose home is Rio De Janeiro, and **Robson Grizze,** who comes from Recife Pernambuco. While in Whittier, Cesar lived with the family of Mr. and Mrs. Ronald Hooper and Robson stayed with the family of Randy Sanger.

# SENIOR AWARDS

Many seniors who have shown exceptional ability in the areas of scholarship, leadership, and service received awards from various businesses and community organizations. Unfortunately, due to publication deadlines, only those seniors who had earned awards prior to the first of April could be recognized in this book. Seniors receiving awards after this date received recognition through the school newspaper and at the Recognition Night Banquet which was held on June 5.

# 1974-'75

As this year comes to an end, I sadly say good-by to Sierra and the Oracle, for they have both been a big part of my life for the past 2 ½ years. Thinking back on all the cold Saturdays, holidays, and long nights after school, I really can't believe it all came together so nicely. I'll really miss Mr. Smith and all the sideline lectures he gave everyday that stated how we would not make the deadlines, even though we did. I wish next year's staff luck in every way and hope they handle Mr. Smith as well.

Dear Students,

In the four years of serving on the staff of the *Sword and Shield,* I have learned to care about what happens on this campus. The newspaper has tried to expound on subjects that were relevant to Sierra's students. My staff has tried to entertain you while attempting to avoid looking amateurish. Thank you for picking up your copies of the paper on Fridays and not throwing them away. Hopefully, someday there will be more money to print more papers in the future.

# TO KILL A MOCKINGBIRD

For its fall production, the Sierra drama department presented *To Kill A Mockingbird,* based on the Pulitzer Prize winning novel by Harper Lee. Mockingbird was presented December 12, 13, and 14 at the Whittier Community Center and was well received by all who attended.

The story of *To Kill A Mockingbird* revolves around a young girl, Scout, and her upbringing in a Southern town in Alabama during the depression of the thirties. A Negro man, Tom Robinson, is accused of attacking a white women, and Scout's father, Atticus, is asked to defend him. The play climaxes during the trial scene, when Atticus clearly shows that Tom Robinson could not have committed the crime. But Tom is convicted anyway.

# SUGAR

## MAY 22, 23, 24, 1975

Sierra's Fine Arts Department continued its excellent tradition with the presentation of the popular New York show, *Sugar*, on May 22, 23, and 24 at the Whittier Community Center. The Play, by Peter Stone, Julie Styne, and Bob Merrill, is a musical version of the famous movie *Some Like It Hot*. The story takes place in the 1920's and is about two male musicians who accidentally witness a gang-land murder and must flee for their lives. While doing so, they disguise themselves as women and join an all-girl band. The majority of the play concerns the wild antics they go through in order to keep their identities a secret.

# MULTI-CULTURAL PERFORMING ARTS DANCE GROUP

This year Title I sponsored the Multi-cultural Performing Arts Dance Group. The purpose of this group was to give the students and the community the chance to see and better understand the history and background of various ethnic dances.

Under the supervision of Mr. Manuel CastillEjos, the group practiced after school and performed throughout the year before many community groups in the Whittier area. While providing entertainment, the members of the group learned such skills as coordination, discipline, correct posture, and costume construction.

# IN APPRECIATION

Dear Spartans,

As the sun sets on the horizon, the Oracle staff looks back on this past year and all the people who had helped us in various ways. I would like to show my appreciation by using this page to tell them "thank you!"

The first to come to my mind is our adviser, **Mr. Richard B. Smith.** I would like to thank him for all the Saturdays and holidays that he gave up to help us. Also, I would like to thank **Mr. Charles Pharaoh** and **Mr. Gunnar Lendroth** for their help with copy and photography assignments.

This year we did things a little differently, and asked several "good-natured" people to help us with some very special picture assignments. For being such willing models I would like to thank **Mrs. Ruby Lynch, Pat Apodoca, Alanna Brown, Mike Dauber, Mr. James Gray, Mr. Harold Cawrse,** and **Mr. William Toohey.**

There were times when the work volume became too great for my staff and me to handle, so we turned to outside help to get through. I want to thank **Mi Becktel, Joe Bohr, Jeff Campbell, John Davis, Maralinda Donadio, Frank England, Mario Fiermonte, George Gappmayer, Ivan Gundersen, Joel Holliman, David Koza, Lisa Pendergist, Chris Rouillard, Aron Tyler,** and **Pat Valasquez.**

Many teachers were called upon this past year to help in the production of this book. I would like to thank **Mr. Bob Abernathy, Mrs. Bonnie Lowenstam, Mrs. Carolyn Brown** and her coaching staff, **Mr. Ed Brandt, Mr. Luis Castruita, Mr. Robert Dugard** and his coaching staff, **Mr. Lee Penney, Mr. Robert Kneen, Mr. Welson Powers, Mr. "Buzz" Schupmann, Mrs. Melinda Schupmann, Mrs. Elayne Wade, Mrs. Bertha Figueroa, Mr. Rene Gardea, Mr. John Hertzberg, Mrs. Ruth Hughes, Mr. Orville Hinshaw, Mrs. Yolanda Morehouse, Mr. Matt Weston,** and **Mrs. Kay Woudenberg.**

There were many times when we turned to the secretarial staff for things we needed. "Bless you" **Mrs. Marilyn Haase, Mrs. Barbara Bolander, Mrs. Louise Haggins, Mrs. Zena Hill, Mrs. Virginia Larson, Mrs. Marian LeFever, Mrs. Ione Meek, Mrs. Mary Quinn, Mrs. Claudia Stambaugh, Mrs. Mary Steddom, Mrs. Kay Sponsler,** and **Mrs. Betty Sundin.**

When in times of stress, I turned to the counselors and administrators. I owe a very special thanks to **Mr. Roger Weeks, Mr. Orval McLellan, Mrs. Madeline Sorenson, Mr. Charlie Course, Mrs. Rachel Woolett, Mr. Charles Brogan, Mr. Robert Braden,** and **Mr. Arthur Harshbarger.**

The efforts of many off-campus people are represented in this book. I owe a great deal to the personnel of **Sanford's Photographic Studio,** especially **Mr. Morgan McIntosh, Ms. Angie Miller, Mr. Jal Duncan, Mr. Bob Green,** and **Mr. Mike Beardsley.** Without the help of **Mr. Ed Brennan, Mrs. Virginia Worthey,** and **Ms. Linda Galway** of **Pischel Yearbooks, Inc.** this book would never have been completed on time. A very special thanks should go to **Mr. Jerry Fullerton** of the American Yearbook Company for his assistance, and to **Mrs. Pat Kuhlmann** and my mom, **Mrs. Marion McKnight,** for helping behind the scenes in all sorts of ways. Also, I am grateful to all of our local business people who showed their faith in our project by advertising in the book.

Love and kisses,

Leslie McKnight

PISCHEL YEARBOOKS,

Mrs. Stanbaugh.

What can I say, I don't know I probably wouldn't have bugging me all the time. I really appreciate made it without you helping me. It was nice having you help. It was nice being called in to the office, even if it was for a no-no. Don't worry about my grades dropping because I got a bad 8 years. I really didn't try. For the rest of seniorities I'm really going to coast down. Again I would like to thank you. I think I'm going to miss you. I'll come back + visit you

Love,
Jae D. Tampa

Mrs. Stanbaugh,

Thank you for all your help this year, sorry I came in so many times But I'll miss good ol sierra & all the people who work there. I'll come back after Jan. when I'm out to see all of you. Take care

Love Jody Rossi

Mrs. Stanbaugh,
I'm really glad I'll get to be working for you this summer, I'm really looking forward to it. This year was really cool but this summer should even be cooler. Thanks a lot. See ya
